5. (Confidential - GLC) James Gehrig, Staff Director, Senate Aeronautical and Space Sciences Committee, asked to see me and expressed his concern and frustration at being unable to obtain any statement covering unclassified information having to do with the Soviet Soyuz 11 and Salyut spacecraft. Mr. Brandwein subsequently prepared a brief statement which was given to Mr. Gehrig.

6. (Confidential - GLC) Encountered Mr. George Murphy, Joint Atomic Energy Committee staff, on the Hill and he asked me for any information we could provide him on the ChiCom nuclear submarine. I told him I would check on this and be back in touch with him.

(Confidential - GLC) David Martin, Senate Internal Security Subcommittee, called to say he was preparing a study on communist propaganda which he hoped would be released by the Subcommittee in the not too distant future and wondered if he could get some help from us on it. OFFICE OF LEGISLATIVE COUNSEL

Monday - 7 June 1971

1. (Secret - GLC) Ed Braswell, Chief Counsel, Senate Armed Services Committee, called and requested, on a crash basis, information which Senator Stennis desired for the secret Senate session on Laos today which was requested by Senator Symington. Braswell asked for and was given papers containing the thrust of the Director's testimony on Laos to the Foreign Relations Committee and a breakdown of Agency money spent in Laos over the years including projections for fiscal year 1972. He also requested a memo describing the Thai forces which are being used in Laos. When I gave Braswell this material he expressed concern that the funds transferred to the Agency for Thai forces in Laos did not show in any of the budget breakdowns given to him by the Department of Defense. He said he was going to follow up on this with Mr. Moot or Mr. Brazier of DOD.

Both of these men are presently in the United States under AEC auspices for work in unclassified activities having to do with the atomic energy field.

Murphy also asked me if I would look into an incident in the discovery of an apparent clandestine device by the child of a [REDACTED] government official.

3. (Confidential - GLC) I reported to Harry Symmes, Deputy Assistant Secretary of State for Congressional Relations, Senator Ellender's position with regard to the use of the continuing resolution for interim funding of the Radios pending congressional action on the Case bill. Symmes said that he and Assistant Secretary David Abshire had seen Senator Fulbright over the weekend and Fulbright reaffirmed his opposition to the revised Case bill and suggested to State that they go back to Case's original proposal. Symmes added there will be an executive session of the Senate Foreign Relations Committee this morning and the subject of the Radios is on the agenda.
